## A NEW SKY BRANCH GROWS IN BIG TIMBER THIS FALL

Sky Federal Credit Union is proud to announce that our newest location will soon open in the community of Big Timber. Sky has been serving the people of southwest Montana for more than 80 years, and adding a location in Big Timber is one way we're furthering the commitment to our membership. While we've been serving Big Timber with two Sky ATMs for some time, we felt the community would be better served by a full branch.

Once we're open in Big Timber the community will join our family of locations which also includes Livingston, Belgrade and Bozeman. As with all Sky branches, we'll be able to provide in-person service for savings and checking accounts, loans, and everything else we offer.

The best part? You don't need to wait till our doors are open—you can open a Sky account today. Contact us at 800-445-3328 or visit [skyfcu.org](http://skyfcu.org) to become a Sky FCU member now.

Big Timber's getting bigger, and we're proud to be the latest branch.

## Spend Your Summer Getting Out

Montanans don't like to be caught indoors once the sun is shining. Make the most of summer with the new boat, RV, ATV or convertible that'll get you out of the house and into the sun. Sky offers competitive, flexible loans for autos and recreational vehicles that'll get you on the road or in the water this summer.

And if this is the summer when you decide to tackle a major home improvement project, Sky can help with that—we offer home equity loans for remodels, additions and updates. Improve the value of your residence and make it the dream home you've always wanted. Call or stop by so a Sky loan representative can walk you through the process to find the right loan for your project today.

**Enjoy the summer with a vehicle or home loan from Sky.**
