Big Timber Branch Update

Our newest branch, in Big Timber, is serving our growing family of members throughout the area. We're currently open in our temporary location in the Sonny Todd Realty Building at 301 West 1st Avenue. We are happy to announce that our permanent location, at 233 McLeod Street, will be open mid-2018. While we're working on our new home, our lobby hours are Monday through Friday from 9:00 am – 5:00 pm.

One additional feature we've brought to Big Timber is our new direct phone line, which means you can reach us here directly, just like any other local call. It'll make contacting Sky easier for anything you need. You can reach us at 406-932-4004.

We'd like to thank the Big Timber community for welcoming us to town. We look forward to serving you for years to come.

Give the Gift of Membership in 2018

Holiday shopping can be time-consuming. And did we mention expensive? Plus, there's no guarantee you'll find the right gift. But there's one thing you can get for friends and family that won't cost a dime and always fits just right—the gift of membership at Sky Federal Credit Union. Benefits include access to our competitive loan rates, innovative savings and checking accounts, and local service from our professional and friendly staff at our four branch offices.

Membership also means the latest technology to help you manage your money, like Sky Mobile Banking, Sky@Home Online Banking, Telephone Teller and more. And now, our Kasasa® accounts add cash-back rewards, nationwide ATM fee refunds, and other great benefits.

Save time and money this season—invite your friends and family to become Sky Federal Credit Union members in 2018. It's a gift they will surely thank you for!
